

Terrace Downs Resort brings a touch of class to The Hen's Day Out –with a fabulous overnight stay option

'Events with style' is what Terrace Downs does so well! And now we have taken the Hen's Day Out to the next level, and transformed it to an experience to remember. There are two packages... the full day and the overnight indulgence:

Day Package

Starting with the Hen's Day Out, day package, the bride-to-be and guests will be transferred from Christchurch in a luxurious stretch Hummer Limousine. The celebration begins en route with complimentary bubbles for all.

Upon arrival at picturesque Terrace Downs estate, with the dramatic backdrop of Mount Hutt, the great day stay begins with a leisurely brunch in the fine dining restaurant.

It's then time for some personal indulgence, with a full hour for each of the group at the Spa.

Now, if anyone wants to try their hand at an exotic activity, archery and claybird shooting are offered, with compliments, and with skilled supervision. Exchanging Hen stories over a drink or two in the snug is another suggestion; after all, nobody has to drive home... the stretch Hummer Limousine awaits for the return journey to Christchurch.

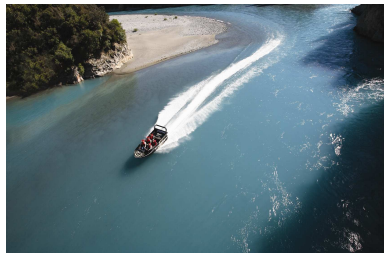

This talking-point day package is just \$360 per person, based on a group of ten people from one pickup/drop-off point in Christchurch.

Overnight Package:

For the ultimate Hen's Retreat, begin with the Day Package. Upgrade the lunch buffet to include an antipasto appetiser platter and a 3-course leisurely lunch, prior to the hour-long spa sessions.

Overnight accommodations are in luxury Fairway Chalets, with full cooked indulgent breakfast in the morning, and then an exhilarating jet boat ride for the group, in addition the archery and claybird-shooting alternatives.

The price for this overnight 2-day breakaway is just \$590 per person, based on a group of ten people from one pickup-drop-off point in Christchurch.
